

Aditinet UK Jobs:

Junior Account Manager

At Aditinet we offer you the opportunity to be part of an exciting company culture and experience the fast growing world of IT and cyber-security. All of our trainees receive:

- ▶ Full sales and soft skills training
- ▶ Vendor certified sales and administration training
- ▶ Travel and working with industry partners
- ▶ Attendance at trade shows
- ▶ Hours: 35 per week (business times between 9.00-5.00)

Working in our unique environment, you will receive a mixture of commercial and certified vendor training, on-the-job training and be responsible for your own area of business.

You will work in a team and receive regular feedback from industry experts and progress through learning and development stages with financial rewards. We will ensure that your training will equip you for the challenges to work in the exciting cyber-security market.

Aditinet UK Junior Account Managers will learn all about the products, the security industry, clients as well as running successful account management engagements and much more.

To become a Junior Account Manager you will need:

- ▶ Great attitude towards team-working
- ▶ Open mind and will to win
- ▶ Energy to contribute

As a Junior Account Manager we will provide you with:

- ▶ Access to great technologies
- ▶ Training and contacts
- ▶ Varied and relevant experience

Why become a Junior Account Manager:

- ▶ Gain insight into a fast growing market
- ▶ Access varied companies
- ▶ Top commercial training
