Companies are under pressure to do more with less and need to ensure that they are using technology effectively and efficiently. One way is to leverage our portfolio of F5 pre-packaged installation, upgrade and health-check services.

Our F5 packages can ensure that your clients are up and running quickly within a fixed scope and fixed price. We can offer installation across the range of F5 product modules.

Scope of Works activities	1 day	3 day	5 day
Racking and stacking	single	pair	pair
Upgrade to latest version of software	Y	Y	Y
