

Aditinet-pre-packed

Fixed cost peace of mind for your investment

Installation

Health-check

Upgrade

Migration

Skills transfer

Custom

Speed up engagement by working faster and smarter with our pre-packed service options.

Installation:

1, 3 and 5-day installation packages

Racking through to live launch

Includes fixed modules, rules and configurations

Companies are under pressure to do more with less and need to ensure that they are using technology effectively and efficiently. One way is to leverage our portfolio of Forcepoint pre-packaged installation, upgrade and health-check services.

Our Forcepoint packages can ensure that your clients are up and running quickly within a fixed scope and fixed price. We can offer installation across the range of Forcepoint product modules.

	1 day	3 day (VC)	3 day (non-VC)	5 day (VC)
